

1. The radio station I listen to is K-Love and it serves my radio listening very well. It also provides an outstanding listening alternative for my community
2. If-K-Love is displaced by a LPFM broadcaster providing other than K-Love programming, the effects will be horrible. The positive alternatives that K-Love provides would be lost and perhaps would jeopardize the community in a very negative way.
3. K-Love provides positive programming, the effects it has had on the community are life changing. It is in the public's interest to keep K-Love on the air.
